

- *Written tasks:* functional tasks include letters, advertisements, CV's, e-mails and alike. Creative tasks consist of longer pieces such as paragraphs, diary entries, reviews and essays.

- *Formal tests and assessment:* learners have the opportunity to reproduce acquired knowledge in a more formal form of assessment.

All tests and tasks are original and of high standard, providing each learner with the opportunity to improve and exceed according to their own ability.

Our staff are well-trained university graduates, experienced and enthusiastic to enrich every mind! We encourage creativity, imagination and the opportunity to discover the wonderful tool of communication!
